

GRAND STRAND CHURCH OF CHRIST

Involvement Ministry Survey

Name: _____

This form is designed to help us gather information about our members and quickly integrate them into our ministry framework. We firmly believe that each member of our church family has been given unique talents, gifts, and abilities. We further believe that it is imperative that we help our members find the places they can best serve the church and the Grand Strand community.

We ask that you check the ministry areas where you would be willing to serve. Please keep in mind you are not expected to serve in a large number of areas. We would much prefer you to serve very well in a limited number of areas than to serve in many areas with less enthusiasm towards each.

On the back of the survey describe any other talents that you would be willing to share with the congregation.

Thank you for taking the time to fill out our involvement Ministry Survey. You may hand this back to Jay, any of the elders, or place in the secretary's box in the member center (Jana Waltman).

1 Peter 4:10-11: Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms. If anyone speaks, he should do it as one speaking the very words of God. If anyone serves, he should do it with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever Amen.
